

Dear Friend,

Many of our supporters tell us they want to re-dedicate their Christmas giftgiving to charitable causes, like Jimmy's Kids.

We'd be honored to receive your holiday support and even invite you to attend a Christmas Party for disadvantaged kids to see your generosity at work, actually benefitting a child in need, a child who would know no other Christmas.

We'll also notify your honoree about your caring gift to Jimmy's Kids, given in their name.

Dear Jim Tuman,
